REQUIRED COVID-19 PROCEDURES

WHEN TRAVELING INTERNATIONALLY TO THE BAHAMAS BY AIR

All persons must obtain a negative COVID-19 RT-PCR (swab) Test taken less than 5 days prior to the date of arrival. The name and address of the lab where the test was performed must be displayed on the test result. Children ages 10 and under are exempt from obtaining the RT-PCR Test. Once in possession of a negative RT-PCR (swab) Test, all travelers must apply for a Bahamas Health Travel Visa at https://travel.gov.bs, click on the International tab and upload their negative RT-PCR (swab) Test result. Applications may take up to 12 hours to process. If you are having an issue receiving confirmation of your Travel Visa, please contact Albany Concierge at concierge@albanybahamas.com or (242) 676-6010. ARRIVE IN THE BAHAMAS International Travelers are no longer required to quarantine, regardless of your length of stay in The Bahamas. if you're if staying staying less more than than 5 days 5 days No need to take You must take an Antigen Test on Day 5, any further which can be administered at Albany's Spa COVID-19 Tests. & Wellness Center's general practitioner's office, in partnership with Doctors Hospital. To schedule your Antigen Test, please complete the COVID-19 Test Request Form by clicking here. IF ANTIGEN IF ANTIGEN **TEST IS TEST IS NEGATIVE POSITIVE** No need to take If the Antigen Test is positive, that person must immediately take a second Antigen any further Test at Albany's Spa & Wellness Center's COVID-19 Tests. general practitioner's office, in partnership with Doctors Hospital.
