

# Summer Discovery Camp: June 14-18, 2021

ALBANY GOLF ACADEMY, NEW PROVIDENCE, THE BAHAMAS

Receive instruction from Albany Golf Academy's Jon Hearn and Mitchell Spearman who have a proven track record of developing young talent in the golf industry. Participants can compare their golf games against the existing Albany Golf Academy students and experience daily life of an Albany Golf Academy so participants can see how the program benefits their overall game. Participants will also gain a full understanding of how to make it to the college golf level.

## Daily Schedule

### MONDAY - FRIDAY

8 a.m. - 12 p.m. | 18-hole golf play at Albany's Championship Golf Course with program attendees.

12:45 p.m. - 1:30 p.m. | Lunch

1:30 p.m. - 5 p.m. | Compete and train at Albany Golf Academy, with group and individual instruction, and drills and station training on the range and practice areas.

5:15 p.m. | Physical training with Albany Academy athletes.

### WEDNESDAY EVENING

Enjoy a special Q&A about the Albany Golf Academy and how its coaches and instructors build students' game and enhance their profiles for D1 schools. Each student will also have their swing video analyzed, along with TrackMan and Swing Catalyst data reviewed.

## Camp Enrollment

**FEE:** \$2,000 (Cost includes room and board at The Lodge at Windsor School, plus golf instruction)

**CONTACT:** Tatiana Soldatova at  
[Tatiana.Soldatova@albanybahamas.com](mailto:Tatiana.Soldatova@albanybahamas.com) or (904) 534-5025.

## Boarding & Accommodations

Campers have an opportunity to stay on the 25-acre Windsor School campus within The Lodge, a 50-bed co-ed residence hall, offering furnished dorm-style rooms and access to Windsor School campus amenities. The Lodge is attended by house parents, providing campers with a safe and exciting boarding experience.

If parents are interested in accompanying their child, please contact Albany Resort & Hotel at [hotel@albanybahamas.com](mailto:hotel@albanybahamas.com) or (242) 676-6012 to inquire into available Albany accommodations.

## Coaches

### MITCHELL SPEARMAN

#### WORLD-RENOWNED GOLF INSTRUCTOR

With 30+ years of experience, Mitchell Spearman has taught a variety of students who have won Major championships, PGA TOUR tournaments, prestigious amateur tournaments, and an array of junior tournaments. He is known globally for his instruction on the TV show "Golfing World" and is recognized in the U.S. for appearances on GOLF Channel, CBS, and NBC. His instructional articles have been featured in major golf publications including ESPN, Sports Illustrated, Golf Magazine, and The New York Times. For over a decade, Mitchell has owned an academy in New York that has been voted the best in the state for junior golf programs.

### JON HEARN

#### DIRECTOR OF GOLF

Jon Hearn is a British PGA professional who traveled the world playing tournament golf for eight years while studying under some of the greatest coaches in the world. Jon's 20+ years of experience has enabled him to coach some of golf's most successful players, including the No. 2 world-ranked amateur, LPGA Tour players Natalie Gulbis and Albane Valenzuela and Major winner and former world No. 1, Justin Rose. Jon has also filmed instructional videos for Golfing World and GOLF Channel that aired to over 60 countries around the world. Jon has created a unique teaching style that has given him a reputation with guaranteed results.

## Facilities

### WINDSOR SCHOOL AT ALBANY

Windsor School at Albany provides a rare academic and athletic upper secondary school experience. Located adjacent to the luxury resort community of Albany, Windsor School is an institution for students ages 13-18 (grades 8-12) with elite golf and tennis academies, led by world-renowned instructors and coaches.

Windsor School students take advantage of an extraordinary range of academic and enrichment courses to create their own unique journey. Our in-person and online options provide flexibility for students to grow inside and outside the classroom. When encouraged to try new ideas or experiences and take charge of their own learning, students discover meaningful pathways for exploration and growth.
